MAD CELEBRITY SNAPS

I got this photo of Matisyahu, a great reggae/rap singer, at the airport. He was going home after a concert here in Kauai, Hawaii. It was hard getting his picture, so if you give me something, can it be something good?

Mt. Killermannjaro — For sending us this Celebrity Snap, we're sending you a one-year subscription to MAD! Sorry it's not something good! —Ed.

MAKE A DUMB WISH FOUNDATION™

A couple of weeks ago, I was reading MAD #487 while eating a Snickers Bar. "Rejected Catchphrases from Rambo" made me laugh so hard that a piece of peanut came out my nose. My wish for the MAKE A DUMB WISH FOUNDATION™ is that on the front of MAD there be a warning that says: "Eating a Snickers Bar while reading magazine could cause chunks of peanut to shoot through your nose" or at least publish my letter so others won't have to feel my pain.

Craig Kleinpeter, Baton Rouge, LA

Craig's List — That's nuts...literally! Next time, you should eat spaghetti while you're reading MAD — that way when it comes out of your nose you can just suck it right back into your mouth in one continuous loop! If you decide not to heed our advice, then you should re-read the article while eating some jelly, so you can at least achieve the full PB&J effect! —Ed.

MAD ON THE ROAD

On January 13, 2007 at the Ocean County Library in Toms River, New Jersey, MAD Senior Editor Jonathan Bresman gave a multimedia show about his book *MAD About Star Wars*. Jonathan told behind-the-scenes tales about the long-standing relationship between MAD and director George Lucas and regaled the audience with the now legendary confrontation between MAD publisher William M. Gaines and Lucasfilm's legal team. Various Stormtroopers, Imperial Officers, and one menacing Dark Lord of the Sith joined the party, courtesy of the 501st Legion's Northeast Remnant and Garrison Carida. Everyone had a good time, thanks largely to the efforts of the Ocean County Library's Program Coordinator Scott Rodas, Scott's son, Matt, and library PR guy Chris Barnes.

CORN ON THE SOB

I am a 13-year-old boy in Texas. I am in the 7th grade and I love MAD Magazine. My mom and step-dad got me into it. I love reading all the quotes about the U.S. Government and other things going on in the world. I was just reading the newest issue, the "monkey" issue. I was laughing so hard, I started crying. I really liked "How to Draw A Monkey." The line "...then put a teardrop under the left eye for number of monkeys killed in prison" made me laugh the most. I shared an order form with my 48-year-old stepfather. My mom loves how we tell her the stories. I like MAD because it is weird, which is also weird because I am a Boy Scout. Also this letter will help me get a merit badge. (Weird, but cool!)

Victor Gratt, Austin, TX

Slick Vic — You laughed so hard that you cried? It's a good thing you weren't eating a Snickers bar, otherwise peanuts might have shot out of your eyes. Actually, that sounds awesome! Why don't you try it and tell us how it goes! —Ed.

LET ME TAKE YOU TO MONKEY TOWN

I cannot imagine what possessed you guys to pass off an entire issue of MAD as "written and drawn by monkeys," but whosever idea this was, I'm sorry to say it wasn't the least bit funny. The lengths you all had to go to try and milk monkey-related gag lines out of every panel in the magazine, were all too painfully apparent, even to the point of using the same "jokes" over and over again. OK, monkeys love to fling poo, we get it, move on. I have a friend who's a big fan of *Monk* and I didn't even bother showing him your supposed satire because it's more chimp humor than actually poking fun at the foibles of the character. Certainly, you can come up with a snarky reply to my letter, and even make it look as if the reply was written by a monkey, but the bottom line is still the same — in all my 40 or 50 years of reading MAD, this is the first issue I can recall that was totally without a shred of humor from cover to fold-in.

Steve Haller, Oak Park, MI

Halfback Boy — We're so sorry you didn't enjoy the Monkey issue. There's nothing we value more than the opinions of long-time readers. So we stayed up all night and came up with an exciting idea that we think you'll really get behind. Look for an upcoming special issue of MAD written and drawn entirely by cranky, whiny, boring old men! (Snarky enough?) Thanks for writing! —Ed.

CASE CLOTHES

Recently, on a trip, my friend Callie wanted to drive through a wild animal park, and I said I would agree only if she bought me a monkey t-shirt. However, when we finished the tour, we found that the gift shop was closed. Callie just gave me the April 2008 issue of MAD Magazine and tried to convince me that it was better than a monkey t-shirt. Please tell Callie that a MAD Magazine, even if entirely written by monkeys, is no substitute for a monkey t-shirt! I can't wear a magazine, can I? I'm sure you'll back me up.

Jeanette Handling, Jacksonville, IL

Handling With Care — Why on earth would we — a magazine — say that a t-shirt was better than a magazine? Magazines are way better than t-shirts! Don't believe us? Here's why:

1) Magazines don't shrink in the wash.
2) Magazine colors don't fade.
3) T-shirts don't come with little cards that allow you to order a subscription for more t-shirts.

On the other hand, no one would ever pay to see a "Wet Magazine" contest! So, maybe you have a point and you did get shafted after all! —Ed.

ALL HANDS ON DESK

For a long time, I took my copy of MAD each month to work so I could read it instead of doing my job. Not too long ago, it began to disappear from my desk whenever I'd step out. I had suspicions of who might be the culprit and one day, I finally caught him red-handed. He was very embarrassed and swore that he would never take my MAD Magazine again and he explained that he only did it because he was too cheap to buy his own copy. Unfortunately, he has been true to his word. Each subsequent issue of MAD has been undisturbed and I've since been stuck with this idiotic magazine.

Tony Comunale, Astoria, NY

Bad to the Tone — We know how you feel, we're stuck with you as an idiotic reader! —Ed.

Here are my contract demands for this week: I want a jet. I want the artist Bow Wow to shave me. I want all soccer moms to be deported to Sweden. I want to dance the funky chicken with Hannah Montana. I want lettuce to be 18 cents a pound!
Then who's going to host the show — you?
You can have everything except the lettuce!
That's insane! I won't meet your demands!
Our ratings are down! We need ideas from this room!
Big Foot goes on Facebook!
Issac Newton travels through time to 2008. An Apple computer lands on his head!
Hmm...maybe we should try getting our ideas from a room that doesn't have a carbon monoxide leak!
Superman and Batman together on Brokeback Mountain!
I'm very busy today, LemonPledge! I have an all-liquid lunch meeting and I have to take inventory of my cufflinks! Tell me quickly, how's this week's TV show within a show doing?
Honestly, the sketches suck!
And what do we do when the material is weak?
We rewrite the sketches and make them funnier?
Wrong! We mix "fiction" with "reality"! We slyly add a wink of self awareness and hint at hipness!
What the heck are you talking about?
Do I have to spell it out for you, LemonPledge!?! Bring in celebrity cameos — and fast!
MAD

If the cameo is famous enough the audience won't even notice we've got sucky material!
We were lucky in past seasons! We had Seinfeld, Whoopi Goldberg, Al Gore and Conan O'Brien!
Who's booked this season?
We have offers out to Sanjaya and Dog the Bounty Hunter! And Star Jones turned us down!
We're in deep ca ca! Make the sketches funnier!

Let's face it. You're a "suit" — Executive VP of East Coast TV and Microwave Oven Programming! What do you really know about programming and creative comedy?
TV is like an oven! I know what's "well done"! I know what's "rare"!
And what's your take on our show?
It makes me want to put my head in an oven!

I still can't believe it! I have a job as a page on network TV! This is all so exciting!
Kennel, where you come from, DUSK is exciting!
You know, Regis Philbin started his career as a network page! So did Willard Scott and Chris Elliott! Mark my words — Kennel will be running this network in ten years!
But the boy is ditzy! He seems to be in a perpetual fog!
Then...make it five years!
I was the star of this show and suddenly this insane egomaniac dude takes over!
It happens.
I don't understand — I'm hot, I'm blonde, I have a great rack! What does he have?
He has this thing called charisma!
Tell me, Lizz, will I ever have charisma?
You have about as much chance of developing charisma as I do of developing a great rack!
I think it's time for a "face cringe"!
Crazee, they're waiting for you on stage!
I'm not goin' out on stage! I'm holding out! I have a list of demands!
We met your demands in the first panel! You're dancing with Hannah Montana!
I have a new list! I want the NBC peacock to be replaced by a falcon! I want Lincoln's face off the five dollar bill and I want Beyoncé's face on it. I want all verbs to be nouns!
Uh, I may have trouble with the peacock-falcon thing!

LemonPledge, I've got my own problems! I Googled myself and got only 23 hits!
That's not so bad!
All of them were posted by me!

What's taking six hours?
We had a tough rewrite! Pulled an all-nighter!

Crisis! The show's ratings are plunging! This is the demographic board! It tells what groups are watching your sketch show by age, occupation and race!
Jock, I can't work like that! We write what's funny, not what appeals to a focus group!
I've got your back, Lizz! I will not let them compromise your artistic integrity!
We're strong with upscale boomers and affluent 18-44 year-olds!
We're weak with senior citizens, the Bible Belt, FedEx drivers and illegals with cable!
Neurotic single women in inner cities love our show!
Poultry farmers, crop dusters and divorced dry cleaners hate our show!
That's so funny! I was just telling LemonPledge here that they need to do a sketch about ■ divorced dry cleaner in the Bible Belt who dates an illegal and they settle down on a poultry ranch!
That's it! I quit!
You can't quit the show, Lizz LemonPledge! That's insane! Somebody's gotta talk some sense to you!
And who's that going to be, Crazee, you?
Look at the big picture! Our careers are cookin', man! Okay. Sure. We're not as powerful as Adam Sandler, Will Ferrell or Mike Myers but hotter than Cheri Oteri, Chris Kattan or Jim Breuer! We're doin' okay, Lizz LemonPledge! We gotta good thing here, man!
Wow! That's the clarity I needed in my life! Thank you, Crazee! I'm staying on the show!

#3 In A Series

An important message from MAD's Director of Business & Development,

JEFFREY LOZENGE

In troubling times such as ours — and by "ours" I mean yours and mine, not someone else's, which would be their troubling times, not ours — people — and by "people" I mean us, not those others who aren't us but them — well, I'm sure you know what I'm getting at.

MAD *— and by "MAD" I mean* MAD *— is a magazine whose time is and continues to be. It defines who we are and where we've been and where we are hoping to go if we can only find the money and get some time off. No reasonable person would argue with that.*

And so it's with that in mind — and by "that" I mean this, which is what I am about to say: I don't wear a green suit with a question mark because I look attractive in it. I wear it it because I must. A man must do what a man must do. And so must a woman. We are all one in nature's garden.

Given all this, subscribing to MAD *makes perfect sense. To you and me. Us.*

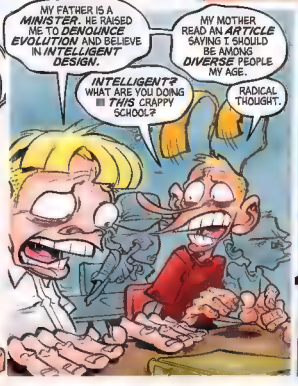
Conclusive proof that Darwin was right! It's...

MONROE and... Evolution

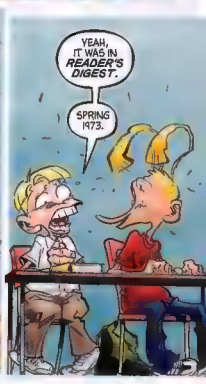
SETTLE DOWN. TODAY WE'RE GOING TO PAIR UP FOR A SCIENCE EXPERIMENT. MONROE, YOU GET WITH THE NEW KID.
AWESOME, SOMEONE GEEKIER THAN ME. WHAT'S UP, DEXTER? THE SERIAL KILLER, NOT THE BOY GENIUS.
ESSAYS DUE, MONDAY

EACH TEAM WILL PRESENT A MODEL REPRESENTING EVOLUTION. NOW GET TO WORK, YOU ANIMALS.
EVOLUTION! I CAN'T DO THIS!!
WHAT? IT'S EASY. THINK MONKEYS!

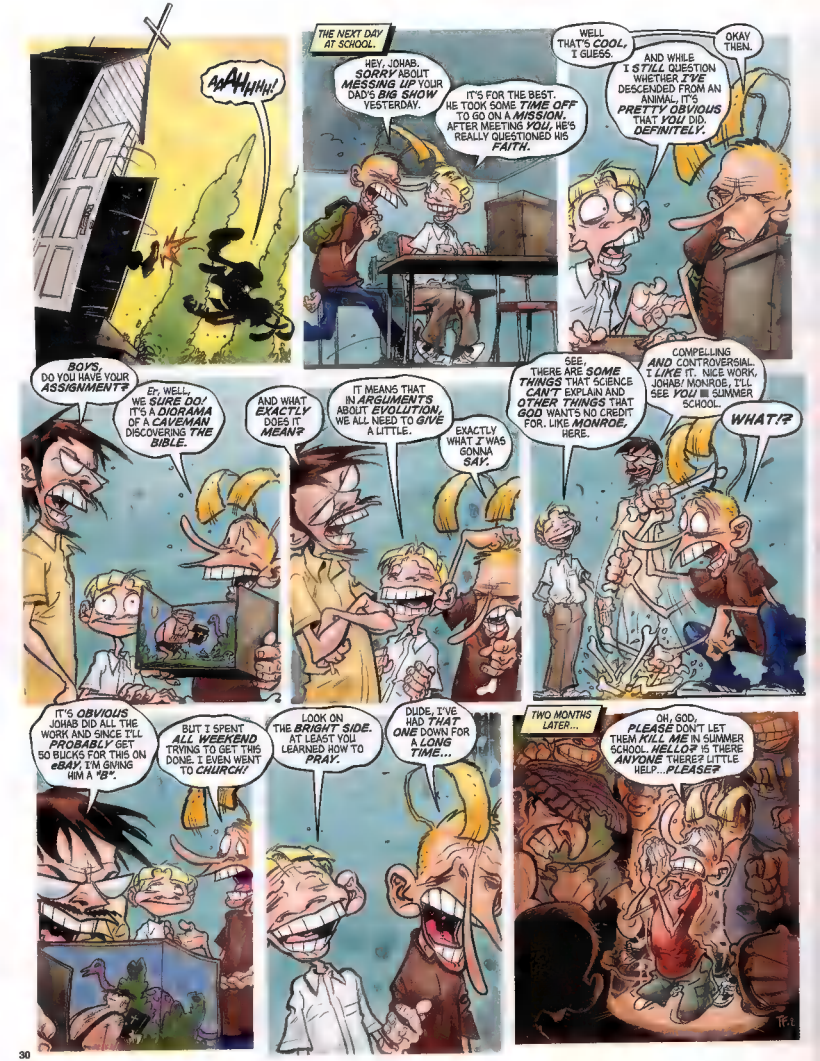
THIS IS TERRIBLE. I NEVER SHOULD HAVE TRANSFERRED HERE.
I WAS HOME-SCHOOLED! I LEARNED EVERYTHING AT HOME.
WHAT SCHOOL DID YOU GO TO BEFORE?
WOW. THE ONLY THING I LEARNED AT HOME IS TO AVOID POT ROAST NIGHT.



MY FATHER IS A MINISTER. HE RAISED ME TO DENOUNCE EVOLUTION AND BELIEVE IN INTELLIGENT DESIGN.
MY MOTHER READ AN ARTICLE SAYING I SHOULD BE AMONG DIVERSE PEOPLE MY AGE.
INTELLIGENT? WHAT ARE YOU DOING IN THIS CRAPPY SCHOOL?
RADICAL THOUGHT.



WRITER: ANTHONY BARBIERI ARTIST: TOM FOWLER COLORIST: RYAN FLANDERS



AAHHHH!!
THE NEXT DAY AT SCHOOL.
HEY, JOHAB. SORRY ABOUT MESSING UP YOUR DAD'S BIG SHOW YESTERDAY.
IT'S FOR THE BEST. HE TOOK SOME TIME OFF TO GO ON A MISSION. AFTER MEETING YOU, HE'S REALLY QUESTIONED HIS FAITH.
WELL, THAT'S COOL, I GUESS.
AND WHILE I STILL QUESTION WHETHER I'VE DESCENDED FROM AN ANIMAL, IT'S PRETTY OBVIOUS THAT YOU DID. DEFINITELY.
OKAY THEN.
BOYS, DO YOU HAVE YOUR ASSIGNMENT?
ER, WELL, WE SURE DO! IT'S A DIORAMA OF A CAVEMAN DISCOVERING THE BIBLE.
AND WHAT EXACTLY DOES IT MEAN?
IT MEANS THAT IN ARGUMENTS ABOUT EVOLUTION, WE ALL NEED TO GIVE A LITTLE.
EXACTLY WHAT I WAS GONNA SAY.
SEE, THERE ARE SOME THINGS THAT SCIENCE CAN'T EXPLAIN AND OTHER THINGS THAT GOD WANTS NO CREDIT FOR. LIKE MONROE, HERE.
COMPELLING AND CONTROVERSIAL. I LIKE IT. NICE WORK, JOHAB/ MONROE, I'LL SEE YOU IN SUMMER SCHOOL.
WHAT!?
IT'S OBVIOUS JOHAB DID ALL THE WORK AND SINCE I'LL PROBABLY GET 50 BUCKS FOR THIS ON eBAY, I'M GIVING HIM A "B".
BUT I SPENT ALL WEEKEND TRYING TO GET THIS DONE. I EVEN WENT TO CHURCH!
LOOK ON THE BRIGHT SIDE. AT LEAST YOU LEARNED HOW TO PRAY.
DUDE, I'VE HAD THAT ONE DOWN FOR A LONG TIME...
TWO MONTHS LATER...
OH, GOD, PLEASE DON'T LET THEM KILL ME IN SUMMER SCHOOL. HELLO? IS THERE ANYONE THERE? LITTLE HELP...PLEASE?

In April 1974, MAD published its most infamous cover—the so-called "Finger" cover. Rejected by many newsstand dealers across the country, the issue saw limited distribution, resulting in horrible sales and one very depressed publisher.

With returns of this now rare and collectible issue pouring in, MAD's founder and publisher, William M. Gaines, sent several boxes of the issue to the MAD vault, where they remained, undisturbed and forgotten, until last year when the vault was emptied.

Now, here is your chance to own your very own copy of this legendary issue. Subscribe to MAD Classics and get an ORIGINAL COPY of MAD #166 **ABSOLUTELY FREE!**

You'll also get a Certificate of Authenticity signed by MAD editor John Ficarra. (Probably not worth much, but it might give you an edge when you try to resell this on eBay a few months from now!)

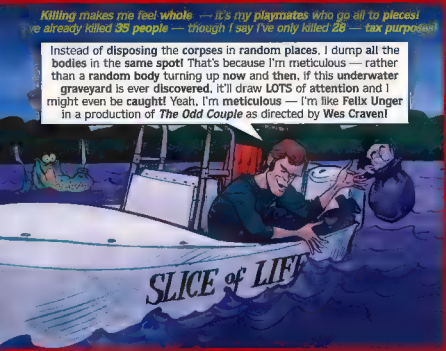
7 PERIODS CLOSER TO DEATH
PROM FORMAL FRIDAY
SHE'S WALKING TOWARDS US.
NO, SHE ISN'T.
IT'S TRUE. SHE'S THE HOTTEST GIRL IN THE WHOLE SCHOOL... AND SHE WANTS TO TALK TO YOU!
SAY WHAT?
HI BRIAN!
UM-HI, ANGELA.
WANNA BE MY DATE TO THE PROM?
WELL, LAST YEAR I BLEW $120 ON A TUX RENTAL, $40 FOR MY DATE'S BOUQUET AND $50 ON MY SHARE OF PORTRAIT PHOTOS.
!
FRANKLY, I'D RATHER JAM A FORK IN MY EYE THAN WASTE ANOTHER $210 ON A CHEESY DANCE.
THAT NIGHT...
IT WAS A COMPLETE REVERSAL OF THE FEMALE-DOMINANT HIGH SCHOOL POWER DYNAMIC, MOM!
CONSIDER IT A SNEAK PREVIEW OF YOUR 40s.

The body has been completely drained of every drop of blood!
Holy $@&%! Where did you guys learn forensics — Comedy Central?
Drained of every drop? My God, the killer's a divorce lawyer!
No blood left? I say the killer's a Hollywood agent!
My guess is the killer's an IRS auditor!
Never, in the way I the work of an amateur — whoever did this is a virtuoso, a van Gogh of vivisection, a Liberace of lacerations, a...oh, sorry, maybe some of you listening to this voiceover don't get that dated "Liberace" reference! He's a Biggie of butchery...better?

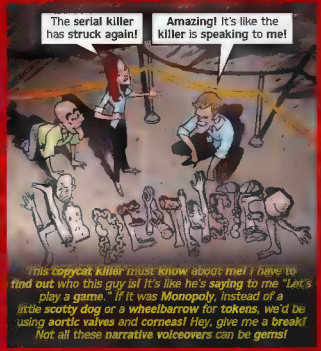
Reepa doesn't know my secret, so I can tell her anything and she thinks I'm being funny...
Dinner was great tonight, Reepa!
Why do you have to leave so soon?
I have a body to dispose of!
Ha Ha! Oh Deathster, Your jokes kill me!
Yeah, I'm such a cut-up! I can really slay people!
I like her — she's dim!

In fact, I DID have a body to dispose of — a local store owner I determined was a merchant of death...
Edgar Gurby, you're responsible for the deaths of many people!
But I just run a supermarket and pharmacy!
Right — and you sell Chinese-made goods covered with lead paint, prescription drugs that cause more harm than good, and too many carcinogen-containing products to mention!
Every store owner in Florida does that!
Oh, and if every store owner walked into a chainsaw, would you? Never mind, I'll help you!

ROWWRAWER!



Killing makes me feel whole — it's my playmates who go all to pieces!
I've already killed 35 people — though I say I've only killed 28 — tax purposes!
Instead of disposing the corpses in random places, I dump all the bodies in the same spot! That's because I'm meticulous — rather than a random body turning up now and then, if this underwater graveyard is ever discovered, it'll draw LOTS of attention and I might even be caught! Yeah, I'm meticulous — I'm like Felix Unger in a production of The Odd Couple as directed by Wes Craven!
SLICE of LIFE



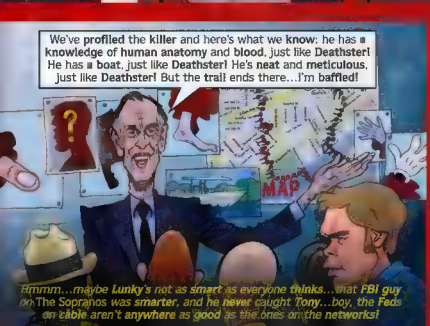
The serial killer has struck again!
Amazing! It's like the killer is speaking to me!
This copycat killer must know about me! I have to find out who this guy is! It's like he's saying to me "Let's play a game." If it was Monopoly, instead of a little scotty dog or a wheelbarrow for tokens, we'd be using aortic valves and corneas! Hey, give me a break! Not all these narrative voiceovers can be gems!

He took my story-book!
She spit in my juicebox!
But Deathster, I'm afraid of steely knives!
And slitting someone's abdomen and spilling their intestines on the floor is gross!
Kids, I don't want you fighting! Work things out the way I taught you — just like my Dad taught me!
These kids today — what are you going to do with them?

Back home after disposing another person who deserved to die! After a kill, I bring a drop of my victim's blood home on a microscope slide and put it in a box I hide in my air conditioner! I'm not worried about being caught by the Miami P.D. — it's the Maytag repairman I'm deathly afraid of!
I'll see if there's anything on the news about that copycat killer...
The grizzly serial killer strikes again, but first our top story — Paris and Lindsay in a double DUI arrest!
I know it's against my code, but I really feel like putting those two on my hit list! Then again, news anchors who bombard us with this trivial trash are probably the worthier targets!

To investigate the rash of murders and the bodies just discovered underwater, the FBI has assigned Special Agent Dank Lunky!
Lunky! He broke the Anthrax case, the Megadeth caper and the insane Clown Posse crimes!
Those were all serial killer cases?
No. Illegal download cases! He was in the Music Piracy Squad!

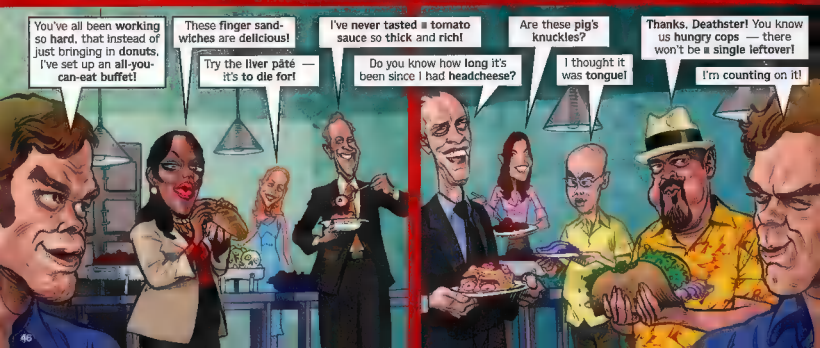
Uh-oh! They've called in someone from Washington, D.C.! I could be in trouble! Then again, considering how the feds handled Hurricane Katrina, I needn't worry! Still, I'd better stay alert and stick to my principles — yep, I feel it's time for a flashback scene with dear departed Scary, the man who adopted me!
Deathster. If you must kill, make sure it's someone deserving — someone sadistic, the personification of evil!
Like drug dealers or murderous pedophiles?
Yes, and that banker that talked me into an adjustable rate mortgage! The @#$&!



We've profiled the killer and here's what we know: he has knowledge of human anatomy and blood, just like Deathster! He has a boat, just like Deathster! He's neat and meticulous, just like Deathster! But the trail ends there...I'm baffled!
MAP
Hmmm...maybe Lunky's not as smart as everyone thinks...that FBI guy on The Sopranos was smarter, and he never caught Tony...boy, the Feds on cable aren't anywhere as good as the ones on the networks!

I'd better stop killing for a while — spend time with Reepa — not arouse any suspicions as to my true, violent nature...
Want to watch a DVD?
Okay! It's comedy night! Our choices are Saw III, The Silence of the Lambs or In Cold Blood — get ready to laugh!
SAD?

I haven't felt comfortable with another man since my last boyfriend turned out to be the Ice Block Killer! But I feel secure in your wrinkled arms, looking into your old, cataract-filled eyes...
All right! I do have a question, Debrat: as a police officer, how did you not pick up on the Ice Block Killer's creepiness, macabre behavior, and gruesome manner?
I did notice — and it put him miles ahead of anyone I ever met on Craigslist!
I don't like you, Deathster! I'm sick of the sight of you! So I'm going to follow you everywhere and keep watching you, day and night!
You realize the contradiction in your statement?
It's no different than the President declaring "no child left behind" as he cuts funding for their education!
Good point, but you have an excuse — a metal plate in your head!
Deathster, I'm glad your relationship with Reepa has gone bad — I've wanted to get you in my bed since I met you! Now I'm going to kiss your cheek and run my hand through your hair!
Yeah, baby! And I'm going to hold your other hand and look deeply into your eyes!
Damn, these sex scenes are absolutely awful since they've been edited down to show on CBS!
Oddly, the bloody gore and violence has been left pretty much intact!
With the Feds on my tail and new bodies piling up, I needed a way to tie up all the loose ends, to make all the evidence disappear without suspicion...
Hey, everybody, I have something to show you in the forensics lab...
MORGUE



You've all been working so hard, that instead of just bringing in donuts, I've set up an all-you-can-eat buffet!
These finger sandwiches are delicious!
Try the liver pâté — it's to die for!
I've never tasted a tomato sauce so thick and rich!
Do you know how long it's been since I had headcheese?
Are these pig's knuckles?
I thought it was tongue!
Thanks, Deathster! You know us hungry cops — there won't be a single leftover!
I'm counting on it!

INNOVATIVE WAYS MAD MAGAZINE IS GOING "GREEN"

1. All MAD artwork on the walls has been replaced with photos of icebergs so the air conditioning can be turned off.
2. To cut down on waste paper, employees must now use their hands as cups at the water cooler. (Cupping hands at the coffee machine is optional.)
3. Only one issue of MAD will be printed per state. Readers will be given a list of subscribers and asked to read the issue and "pass it on".
4. Toilets are flushed just once, at the end of the day. (If you visit MAD, the earlier you get here, the better.)
5. Wasteful Post-It-Notes have been replaced with scraps of old paper and spit.
6. Staff has been instructed to type very lightly so as not to bring their computer out of its energy-saving "sleep mode."

FAST FOOD MOTTO OR JENNA JAMESON MOVIE TITLE?

1. "Dinner Party"
2. "Home of the Whopper"
3. "I'm Into Shrimpin'"
4. "Think Outside the Bun"
5. "Lip Service"
6. "Where's the Beef?"
7. "Party Mouth"
8. "Finger Lickin' Good"
9. "Swallopalooza"
10. "What You Crave"

ANSWER: The even-number ones are fast food slogans — although we can't guarantee that the derivative porn industry hasn't used these as titles, too.

TEEN CAR LAWS THAT SHOULD BE ENACTED

Any just-accepted senior who gloatingly slaps a college decal on his back windshield may, by law, have said windshield egged back to the mid-Cretaceous.

Any driver who doesn't sufficiently slow down for riders to ogle roving girl packs must turn around and creep by correctly.

It is unlawful for a driver to pick up his buddies for a trip to the mall — and then run 16 unannounced "errands" for his mom.

Before trying to get a girl in the backseat, the driver must make some attempt to clear it of crumpled cans, moldy socks and year-old Taco Bell scraps.

Any car-lending parent who institutes more rules than the federal tax code must suck it up and buy their kid a car of his own.

DIET TIPS FROM FAT STEVE

- When you buy a dozen donuts, tell yourself, "I'm only going to eat 11 today, and leave one for tomorrow." Over the course of a decade, this will save you thousands of calories.
- Grocery shopping on an empty stomach causes you to buy more food at the market To avoid this, have a huge, fat-filled meal before you shop.
- Lovemaking is an excellent way to tone muscles and burn calories. We recommend 4-6 hours of sex per day. We can't tell an obese, unattractive person like you how to find a mate, however. This isn't tips on dating.

The Top-Secret "Indiana Jones Memo" from George Lucas to Steven Spielberg

LUCASFILM Ltd
SAN FRANCISCO • CA 94129

From: George Lucas

To: Steven Spielberg

Re: *Indiana Jones and the Kingdom of the Crystal Skull*

Steve-o:

Let me begin by saying how THRILLED I am to begin working on our fourth installment of the *Indiana Jones* trilogy. I don't care what the critics say, If there's one thing that *The Phantom Menace* proved, it's that I know how to take beloved characters, put them in fresh situations and surround them with new, interesting characters — all without tarnishing the legacy of the original and disappointing fans who've waited a quarter of a century for a new adventure. Screw the critics! And screw the bloggers, too!

I'll start with the elephant in the room — Harrison Ford's age. On the screen we can fudge a 66-year-old geezer playing an action hero, but we can't do it in real life. An actor of his age has "special needs." Specifically, we're replacing the traditional Craft Services Table to feed the cast and crew with an Early Bird Special. Keep it under your hat, but Harrison's people are insisting on soft foods only.

In this movie, Indy is mostly battling Russians, but the final shooting script may include some Nazi references. I know you've depicted Nazis in other projects you've worked on subsequent to the original *Indy* trilogy, so to be on the safe side I offer this quick reminder:

- Benign, vaguely-threatening *Raiders/Last Crusade* Nazis = Good

- Sadistic, Holocaust-causing *Schindler's List* Nazis = Bad

Bad news: Sean Connery turned down a chance to reprise his role as Indiana Jones' father. He said that if America wants to see a past-their-prime senior desperately trying to cling to their youth this summer, they'll just go see Kim Cattrall in the *Sex and the City* movie.

Good news: Karen Allen said she's got room in her busy schedule to reprise the role of Marion Ravenwood from *Raiders*... assuming she can get another waitress to cover her shifts at Ruby Tuesday.

You know, when I direct, I always like to cast at least one truly mediocre actor like Mark Hamill, Jake Lloyd or Hayden Christensen. That way I can be sure his performance doesn't distract the audience from all the cool special effects. You should try to use the same method when you direct this film. Which reminds me, did we get Shia LaBeouf?

I got your note about making sure this movie is historically accurate, and I agree. Since *Crystal Skull* takes place in 1957, we should depict important events of the year — like the racist governor of Arkansas keeping blacks out of Central High School, the bloody Cuban Revolution and American schoolchildren practicing "duck and cover" in case of a Soviet nuclear attack. But, you know, in that fun, lighthearted Indiana Jones way.

As you know, the script hints that the Crystal Skull is from outer space, and I want to make sure we have a really scary, ghoulish-looking alien — long neck, leathery face, bulging eyes, etc. I had the boys at ILM work something up *(see attached sketch)*...

For whatever reason, when I showed it to Harrison, he totally freaked out on me!

I'm still working on the obligatory "Indy Gets Jammed Into An Uncomfortably Tight Space Filled With Icky, Creepy Things" scene. But we already did snakes, spiders, insects and rats in the earlier flicks, and I'm running out of ideas. Hey, here's a thought: what if we had him sit next to then-Vice President Richard Nixon in a men's sauna?

Well, I guess that's about it. Needless to say, I'm really excited. I know the budget on this baby is high, but don't worry. I'm using the *Star Wars* business model: in 15 years I can needlessly update the film with 20 seconds worth of new, cheesy computer effects and charge all those nostalgic suckers another 12 bucks to see the "Special Edition." Ka-ching! Ka-ching! Ka-ching!

Yours,

George

WHAT'S THE DIFFERENCE? MY FATHER SAYS ALL THE STUDENTS HERE ARE SINNERS AND WILL END UP IN HELL.
MR. BINES? MY PARTNER, JOHAB, CAN'T DO THE ASSIGNMENT.
MONROE, IF I WANT EXCUSES, I'LL CALL MY EX-WIFE AND ASK WHY I CAN'T SEE MY KIDS.
BUT CAPTAIN CRUSADES OVER HERE IS GOING ALL HOLIER-THAN-WHATEVER.
SOUNDS LIKE THE PERFECT TIME TO LEARN TEAMWORK. I LOOK FORWARD TO YOUR PRESENTATION MONDAY.
OKAY, BUT I'M GUESSING YOU PROBABLY SHOULDN'T.
THIS ISN'T JUST SOME LAME REASON SO YOU DON'T HAVE TO DO THE WORK, IS IT?
NO, MONROE. MY BELIEFS ARE NOT A HOMEWORK EXCUSE. I'M PRETTY SURE JESUS WOULDN'T WANT ME TO.
JESUS SAID PEOPLE SHOULD WORK TOGETHER. LET'S COMPROMISE AND DO RELIGIOUS EVOLUTION. LIKE JESUS RIDING A T-REX OR SOMETHING.
YOU REALLY DON'T KNOW MUCH ABOUT GOD, DO YOU? WHY DON'T YOU COME OVER TO MY HOUSE FOR DINNER?
I'M THERE! IT'S POT ROAST NIGHT AT MY HOUSE!
SO, YOU'RE ONE OF JOHAB'S SCHOOLMATES AT HEATHEN HIGH.
WELL, I THINK IT'S WONDERFUL. IMAGINE, A LOST AND DAMNED SOUL SITTING AT OUR VERY TABLE.
WOULD YOU LIKE TO BE SAVED, YOUNG MAN?
UH, SURE — IF YOU CAN SAVE ME FROM SUMMER SCHOOL!
DEAR LORD, HE'S WORSE THAN I THOUGHT. YOUNG MAN, I'D LIKE YOU TO ATTEND MY CHURCH THIS SUNDAY.
NO CAN DO. ON SUNDAY MORNING I EAT CEREAL AND PLAY WORLD OF WARCRAFT.
AFTER CHURCH WE CAN FINISH OUR ASSIGNMENT.
PROMISE? OKAY, SUNDAY IS USUALLY DAD YELLING AT THE LAKERS GAME AND DODGING HIS BOOKIE ANYWAY.
LET US PRAY.
SUNDAY...
I'M OFF TO CHURCH.
GREAT. TELL GOD I SAID HI.
HEY, WHY DIDN'T YOU GUYS EVER TAKE ME TO CHURCH?
THAT IS A LONG AND COMPLICATED STORY.
YOUR DAD STOLE CASH FROM THE COLLECTION PLATE AND THEY BANNED US.
SOUNDS ABOUT RIGHT. DAMN YOU, KOBE!
I GOTTA GO.
MAKE SURE BIG SAL ISN'T OUT THERE BEFORE YOU OPEN THE DOOR.
SOON...
BRETHREN, THIS MORNING I HAVE A SURPRISE. I'VE INVITED AN EVOLUTION-SPOUTING MINION HERE AMONG US.
WHU?!
UM, I'M NO MINION — WHATEVER THAT IS. I'M JUST TRYING TO DO MY SCHOOLWORK.
DO YOU ADMIT THAT YOUR SCHOOL IS IN LEAGUE WITH SATAN?
DEFINITELY FEELS LIKE IT AROUND LUNCHTIME.
UH... I MEAN, YOU KNOW HOW HARD IT IS TO GET A TABLE SOMETIMES. NOT TO MENTION THE CREAMED TURKEY.
YOUNG MAN, JESUS DOES LOVE YOU. WE ARE ALL A PART OF HIS BEAUTIFUL PLAN, BUT TO PUT IT ANOTHER WAY...
...WE DID NOT COME FROM MONKEYS!!
YEAH, WELL, IF I'M NOT PART MONKEY THEN HOW COME I'M STARTING TO SPROUT THIS WEIRD PIT HAIR?
YECCH! HE'S RIGHT, NO GOD COULD HAVE MADE THAT!
I KNOW. IT LOOKS LIKE KING KONG CITY, RIGHT? HERE, SMELL.
MAYBE THERE IS SOMETHING TO THIS EVOLUTION THEORY AFTER ALL.

MAD KIDS: If you danced and sang in the halls of a real high school, you'd be sent to detention before you reached the first chorus, don't you think?

VANESSA ANNE HUDGENS: We actually DO burst into song in real life! Me and Zac do it at the mall. I've never actually been in detention. The biggest trouble I ever got into was for chewing gum in dance class.

MAD KIDS: What kind of weird fan moments have you had?

ZAC EFRON: I got kissed openly one time. I just got grabbed and kissed. I was completely unprepared, too.

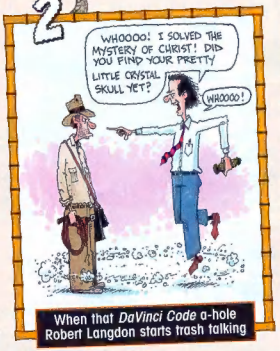
In the classic scene from the very first Indiana Jones movie, *Raiders of the Lost Ark*, the daring archeologist exclaims, "Snakes! I hate snakes!" But that was many years ago, and since then the world has changed and our hero has faced many new adventures. We bet that today snakes wouldn't even make Indy's list of the 10 things he hates most. In fact, given that we have the following article written, drawn and ready to fly, we're sure of it! Here's...

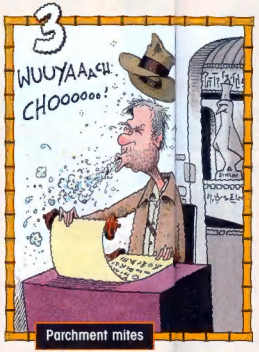
JOHN CALDWELL'S

10 THINGS INDIANA JONES HATES MORE THAN SNAKES

The time-consuming drudgery of bullwhip knots



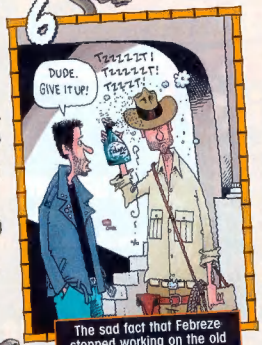
When that *DaVinci Code* a-hole Robert Langdon starts trash talking



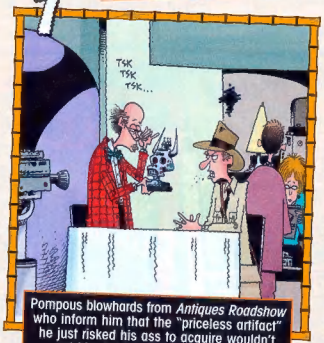
Parchment mites

People who take him for a metro-sexual just because of the manbag

Having an entire day's dig ruined by some drunken frat house turd on a scavenger hunt

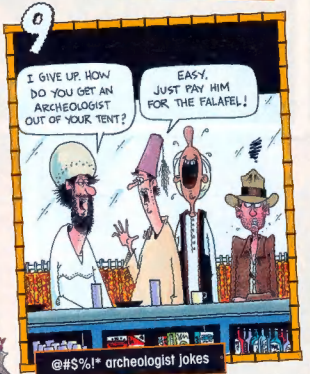


The sad fact that Febreze stopped working on the old chapeau about 15 years ago



Pompous blowhards from *Antiques Roadshow* who inform him that the "priceless artifact" he just risked his ass to acquire wouldn't net him ten bucks at a garage sale

Bowling



@#$%!* archeologist jokes

No matter how often he complains, he keeps getting Idaho Jones' phone bills

Here's the show that stars Michael C. Hall, the guy from Six Feet Under*! On that show, he could talk with people who had just died. On this show, he speaks with people who are about to die! We guess that's a step up in some perverse way! On this series there's so much mutilation and gore, the producers thought of calling it* Dissects and the City! *Spoiler alert: maybe you've only seen the first season, but (and don't kill us now) we're taking on the first two seasons of…*

I'm **Deathster Morgue'in**…I **kill** people…**lots** of people! **Inside**, I'm a **raging storm** of **darkness**… the **gloomy fog** of **despair clouds** my **vision**… a **flood** of **moody melancholy rains** upon me…with **narration** like **that**, you're probably **wondering** why I don't work at **The Weather Channel! Killing** is **part** of me! Sometimes I work **fast** but most times I'm **slow** and **methodical** — for instance, you see these **donuts** I always bring in for my **co-workers?** They're **loaded** with **trans fat!** Let me introduce the **crew!**

That's **Detective Angel Badteaser!** He's **great**, especially in cases involving **Miami's** large **Cuban** and **Latino population!** You know, I **love** the **Spanish language**, the **words** sound so **romantic** to me…**muerte**, **machete**, **violencia!**

When I work **undercover**, no one **suspects** I'm a **cop** — that's because of my **tacky wardrobe!** On my **meager police salary**, even the **homeless** have **better clothes** than me! Working **murder investigations** with **Deathster** is…how shall I put it **delicately**… **friggin' weird!** I once told him I read that the **five stages** of dealing with **death** are **Denial**, **Anger**, **Bargaining**, **Depression** and **Acceptance**. He told me **his** five stages of dealing with **death** are **Anticipation**, **Happiness**, **Joy**, **Ecstasy** and **Orgasm!**

That **picture** is my **foster dad**, **Scary Morgue'in!** He was a **brilliant policeman** and a **kind**, **decent** and **loving father**. When he realized I exhibited the **tendencies** of a **serial killer**, he did what **any good cop** would do: he taught me to **blend in** and **hide** my **aberration** so I could go on **killing** for **decades! Thanks, Dad!**

Here's **Sgt. Croakes!** He's the **only member** of the force **creeped out** by me! Can he sense the **Dark Passenger** within me? The **curtain** that hangs over my **soul**, with a matching **valence** of **anguish** and **emptiness?** Of course, a **simpler explanation** would be he just doesn't like **white guys!**

What Deathster **doesn't know** is I have some **secrets** of my **own!** I'm a former **Special Ops officer** and I've seen some pretty **violent** and **disturbing events**, like the first **Gulf War**, **Haitian coups**, and the **worst** of all, when **Miami** was **flooded** with **Young Republicans** during the **2000 Florida Presidential vote recount! THAT** was **ugly!**

That's **Vince Masukka** — my fellow **forensics expert**, as well as a **horny**, **foul-mouthed**, **gross**, **inappropriate-comment-making geek!** Think of him as the **Manga** version of **Beavis and Butt-head!**

Those two are **Captain Tom Asstore** and **Lt. Maria Lagrabba!** They've climbed up the **law enforcement ladder** by following a **modern police procedure:** getting their **face** on **TV** more often than the **cops** on *Law and Order!*

Catching **Miami's** latest **serial killer** is going to call for some **good old-fashioned police work**, so I'm issuing a **press release!**

I'm setting up a **photo op** with the **Governor!**

Too late! *I'm* sitting in for **Elizabeth Hasselbeck!**

I'm calling a **press conference!**

I'm **sitting in** for **Joy Behar** on *The View!*

Damn, you're **good!**

Contrary to what **Deathster** says, I'm **very sensitive** and **treasure** the **affection** of a **woman!** I like to **caress** the **small** of her **back**, playfully **nibble** her **earlobe**, hold her **close** and tell her she's **safe** in my **arms** — now if I could only **convince** a **LIVING woman** to let me do that!

Reepa's my **girlfriend** — she's **damaged** like me — an **abusive ex-husband** gave her an **aversion** to **physical passion**. Good thing for **her** — because for **me**, **rough sex** involves the use of a **reciprocating saw!**

Deathster is **sweet!** After my **last relationship**, I feel so **pale** and **lifeless**, but **Deathster** seems to **LIKE** that! When I'm **asleep**, he'll spend **hours** staring at my **motionless body!** He bought me some **perfume** he likes me to **wear** — it has a foreign name — **Formaldehyde!**

Here's my **foster sister**, **Debrat**, an up-and-coming **detective!** To say she has **"guy problems"** would be an **understatement!** Her **last boyfriend** almost **broke** her **heart** — *and* her **lungs**, **spleen**, **head** and **neck!**

When we were **growing up**, I didn't think there was anything **unusual** about **Deathster!** In fact, we used to play all the standard **kids' games**, like **Cowboys and Cattle Mutilators**, **Cops and Sociopathic Killers** and **Slice the Head Off the Donkey!**

Don't forget **me!** I'm **Liar**, Deathster's **sponsor** in a **substance abuse program!** I'm **sexy**, **artsy**, and I have a **British accent** and **long**, **jet-black hair**. Add my **drug addiction problem** and general **craziness**, and you can see why I'm being **sued** for **trademark infringement** by **Amy Winehouse!**
